STIHL FS 50 C-E GRASS TRIMMER

Easy starting grass trimmer, for trimming small areas of grass and lawn edges

STIHL’s most powerful grass trimmer, with ErgoStart for easier starting. This grass trimmer has a bent shaft and AutoCut mowing head which makes it ideal for trimming small areas of grass and around obstacles. Ideal for edging as well as for small areas of grass. The loop handle can easily be adjusted for comfortable operation without the use of tools.
