

STIHL RM 248.1 LAWNMOWER

Manoeuvrable petrol lawn mower with 46 cm cutting width

The STIHL RM 248 petrol lawn mower has been developed to effortlessly mow medium-sized lawns up to 1200m². This practical model is easy to manoeuvre around the garden. Featuring foldable handlebars with a super-soft grip, the RM 248 offers a compact storage solution and extra comfort when pushing across the lawn. Simple operation of the central seven-setting cutting height adjustment enables an extremely precisely cut lawn at heights from 25 to 75 mm. The large 55-litre grass catcher box ensures fast mowing with fewer breaks. The RM 248 comes with a 5 year extended domestic warranty (subject to registration and annual servicing).
