

STIHL RMA 235 LAWNMOWER

AK System cordless lawn mower with a choice of battery sets

Lightweight, manoeuvrable cordless lawn mower for small lawns. Central cut-height adjustment, automatic eco mode, and flow-optimised blades ensure longer battery life. Adjustable-height bar with 2 settings and foldable for space saving transport and storage. Easy opening 30 litre grass collection box with fill level display, cutting width 33 cm / 13".

Working area covered with recommended AK 20 battery is 300 m².
