C&O NEWS

Two very familiar faces are retiring from C&O.

After 14 years service in Blandford Parts Department Mike Norris retired at the end of April. Whilst Mike spends more time in his garden and with his family he will be missed by staff and customers at Blandford, many of whom knew him from his days working at Dorset Tractors.

Tony McCarthy will be retiring at the end of May after very nearly 50 years selling tractors and agricultural machinery in Wilton. Tony started with Brewers straight from school and then continued working for Stanley Ponds and then C&O. Tony will be retiring on the same day as his wife Diane and they intend to spend the summer relaxing and planning their retirement together.

Both Mike and Tony have made a big contribution to C&O and will be missed by colleagues and customers, we wish them both a long and happy retirement.
