October 2014

Welcome to our October newsletter. After a great summer and harvest we're pleased to have max. terms available throughout October on all combines, including the enormous CR10.90! As the cows start to come in we take a closer look at Teagle strawshredders this month. It never hurts to be ahead of the game, which is why we've got our Winter Service offer ready. Plan when you want your machines to be serviced and book them in now.

Thanks to everyone who visited the C&O stands at one (or many) of the summer shows. It was great to see so many familiar faces.

Regards,

Andy
