Show round up

Thank you to everyone who came to see us at the Gillingham & Shaftesbury show. In spite of the weather it was another great year for the North Dorset show. An impressive range of New Holland tractors were on the stand; T7.200, T6.160 with Quicke loader and Silograb, TD5.105 with TL 740 loader and Unigrip, T4.95 and Boomer alongside a Merlo 42.7 Turbofarmer, Abbey 2000 tanker, Teagle 8100 strawchopper, Shelbourne Reynolds hedgecutter, Kuhn VKM 240 mower, Polaris 1000 Ranger and Honda ATVs, all overseen by our entry into the show's scarecrow competition: Ned Holland.

C&O Garden Machinery had a large selection of garden power tools from Stihl and Honda and mowers from Honda and Cub Cadet alongside the C&O merchandise tent stocking a range of toys, gifts and most importantly on the day, umbrellas.

Come and join us for refreshments at the Dorset County Show on 5th & 6th September.

SMS Alerts

We are introducing a new free service to advise busy customers by text message when their parts orders are ready for collection. After testing this system at C&O Wilton we are now able to roll this out to our other depots.

It's really easy to join the scheme and there is no cost. Just ask for a text alert when you order your parts. All you need to do is;

1. Give a member of the parts team the contact name and mobile number of the person who needs to know when the order is ready for collection. You only need to do this once unless your contact details change.
2. Let the parts team know if any of the parts on your order are urgent when placing the order.
3. Sit back and wait for a message telling you your goods have arrived into stock and are available for you to collect. You will receive a text upon receipt of each part flagged as urgent. For non-urgent parts you will receive one text message once the order is complete and ready for collection.

C&O Combine Tour underway

C&O Tractors' demonstration New Holland CX8080 combine harvester has been in action on the Isle of Wight and across Dorset and Hampshire and has been receiving good feedback from customers. The high-capacity, straw walker combine, with its 30 ft varifeed header, has been harvesting wheat, spring barley, oilseed rape, rye and oats and delivering a very clean sample with high quality straw. If you haven't had a chance to see this impressive machine in action take a look on our You Tube channel to see footage of our demos.

www.youtube.com/candottractorsltd

“Turning circle very impressive and no losses”

“Straw quality good”

“Good to see yellow combines coming back”

“Very nice machine, best on the market”

COFFEE MORNING

Join us at C&O Tractors on Friday 25th September as we take part in the World's Biggest Coffee morning in support of MacMillan Cancer Support.

There will be cake sales in the parts counters at C&O Wilton and Midhurst. C&O Blandford depot will be hosting a coffee morning in the showroom. Please come along and help us support this national event which last year raised £25m.
