## NEW HOLLAND T7.225 BLUE POWER COME AND WALK AROUND OUR NEW DEMO TRACTOR

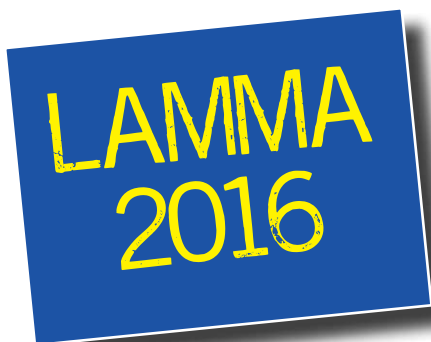

**Blandford  
14th January**

**Wilton  
18th January**

Come to C&O Blandford on 14th January or the Pembroke Arms, Wilton on 18th January to get the low-down on the new T7.225 Blue Power Tier 4B tractor, launched in November 2015. We will have two drop in sessions at 10am and 2pm where our sales team will guide you through the new features on this ground-breaking new model from New Holland, all before this fantastic machine before it is on show at LAMMA 16.

**If you like what you see why not talk to one of our salesmen about booking a demonstration.**

LAMMA 2016 is on 20th & 21st January at the East of England showground in Peterborough. The massive agricultural machinery show is free to attend and all our main machinery manufacturers will be exhibiting at the show. This year New Holland will be giving UK farmers their first view of the CX8.80 Combine Harvester with 22ft header, FR Forage Cruiser 650, T7.315 Heavy Duty and T8 Tier4B. These new machines, will be part of an impressive 17 model line up on the New Holland stand. To find our more visit [www.lammashow.com](http://www.lammashow.com)

## BACK TO THE CLASSROOM

Now Christmas is over its back to business with a very busy period of technical training for our engineers across the group. We have staff attending manufactures courses on all our major brands throughout the winter months to ensure they are equipped with the latest information and updates. This will not only save time when your machine has a problem making fault diagnosis and repairs easier to undertake but also ensuring the very latest updates are carried out to keep your machines in the best possible order.

## Why choose genuine CNH parts?

C&O Parts Department are here to help you keep your machinery up and running, we know how important it is to minimise downtime. Genuine CNH parts will keep your machinery working day after day. Using genuine parts will help maximise performance and lower your operating costs.

By using CNH parts you have;

**Parts made for your machine** - parts that fit better, are installed quicker and last longer than non-genuine parts.

**Guaranteed performance** - non-genuine parts, built to fit a range of different machines, haven't been tested in New Holland tractors and don't offer the same performance as CNH parts.

**CNH Parts Warranty** - 6 month warranty on all parts.

**Readily available parts for your machine** - If we don't have your parts in stock in our extensive warehouses genuine CNH parts can be sourced from CNH's European network and delivered within days.

**Competively priced** - CNH quality parts deliver you savings after fitting by ensuring your machine is working at its optimum capacity.

Talk to your C&O Parts team find out more.
