PLM CLINIC

C&O Tractors will be running a monthly drop-in Precision Land Management (PLM) Clinic at C&O Blandford on the morning of the first Tuesday of every month starting on Tuesday 5th April. New and existing users are welcome to pop in and talk to our PLM Experts for advice about precision farming, troubleshooting, about their PLM kit or any other issue relating to guidance systems.

WE

WANT

TO

HEAR

FROM

YOU...

Over the next few months, in association with New Holland, we will be asking for feedback from customers. This will be focussed on the assistance you receive from our Service Departments. Questionnaires will be sent out but we need your permission to email you the questionnaire. Over the forthcoming weeks you may be contacted by staff from your local depot asking if we can send you a copy of the questionnaire. Alternatively you can ask to receive a copy by contacting us directly at service@candotracors.co.uk

At C&O Tractors we are committed to improving the service we offer our customers in all aspects of our work. The feedback from the questionnaire will help us improve all aspects of our business, ensuring you get the very best service from your local dealership.

The questionnaire will only take a few minutes of your time to complete and will give us the opportunity to hear your opinion about what we are getting right, and, more importantly, areas we can improve.

“Joe Waldron from New Holland and David Smith from C&O recently visited me on my farm to discuss my service needs. At the meeting they asked if I’d be willing to complete the C&O Tractors questionnaire. I appreciate being asked my opinion, it shows that C&O are willing to listen to customers and take criticism on board. I’ve dealt with C&O for many years, I’ve seen C&O’s Service department improve over the last year and would like to see the improvements continue. If spending a couple of minutes of my time on this questionnaire will help with that then I’m happy to assist.” Andy Hole, Farmer, Dorset.
