

New Holland T7.290 Heavy Duty

Contact your
Salesman to book
a demonstration of
the new T7.290

C&O demo units available now
Our demonstration range includes;

• T7.210 • New Holland LM7.42 • T4.105 • Merlo 35.7

Thank you to everyone, including 'Mr & Mrs Flora (pictured)', who visited the C&O stand at the Dorset County show. The New Holland CR8.90 Combine Harvester was the star of the stand, alongside the Tier 4B T5.120 and T6.165 tractors, demonstration T7.290 and T7.210 and displays from C&O Garden Machinery and C&O Construction.

New Location for C&O Midhurst

C&O Tractors' Midhurst depot will be relocating to New Barn Farm, Funtington, Chichester, West Sussex before the end of the year. The relocation, to a brand new purpose built facility, is a fantastic opportunity for the team at Midhurst to expand both the quantity and range of machinery on offer. The new location will have large workshop facilities, enabling the team to handle a greater quantity of service work. The increased parts area will incorporate showroom space for a wider range of products, including machinery from C&O Construction. C&O Funtington will also benefit from yard space to display new and second hand tractors and machinery.

Depot Manager Matthew Davies said 'I can't wait to move to the new site; the new building is superb. We will have great transport links and are right on the doorstep of Chichester and I'm confident we're going to be able to offer our customers a much better level of service because of that.'

We are working to ensure that the transition between the existing and new locations are as seamless as possible and will update customers on the opening date and further details in due course.

C&O Midhurst
