## IDEAL: The Harvest Gamechanger

C&O were selected as one of a limited number of dealers who had the opportunity to demonstrate the IDEAL, the new flagship combine harvester from Massey Ferguson this summer. The IDEAL performed superbly, giving a great sample and incredibly low losses. The IDEAL was supported in the field by Massey Ferguson tractors and demonstration 555 grain trailer from Warwick. Follow C&O on social media to see the IDEAL in action or visit [ideal.masseyferguson.com](http://ideal.masseyferguson.com)

## C&O Construction Dig and Drive

C&O Construction launched the Wacker Neuson DV100 to the South West at their Dig and Drive event in the New Forest. In the innovative new dump truck the driver is able to turn the seat and operate the truck from either direction, the truck is kitted out with a range of additional safety features which make for a safer and more productive dumper.

Customers were also able to drive a range of Wacker Neuson mini excavators alongside Hidromek 22 ton excavator and backhoe loader. The digging event was also supported with machinery on display, giving customers the chance to meet the manufacturers and get a closer look at Merlo, Wacker Neuson, Gyru Star, Autoguide, Trackunit, Can-Am and Isuzu products.

Talk to our construction sales team to find out more about the construction machinery we offer.

## C&O support for Ducks and Drakes

C&O Tractors handed over a cheque for £2400 to local charity Ducks and Drakes at the Gillingham and Shaftesbury show. The donation represents a commitment made after C&O became Massey Ferguson dealers in 2017. Richard Drake, of Ducks and Drakes, was one of the first customers to buy a new Massey Ferguson after C&O switched brands. At that point C&O committed to donate £100 for every tractor sold in Dorset during the first year as Massey Ferguson dealers. The cheque presentation from C&O was to Richard & Nettie Drake, Jane Stickland and members of the Drake family.

## New Merlo for the Rose Engineering Fleet

C&O were able to handover a new Merlo P38.14 Plus panoramic telehandler to Tom Rose of Rose Engineering at the Gillingham & Shaftesbury show. The telehandler, which was christened 'Vicky' by the team at Rose will join a fleet of Merlo's run by the Dorset based engineering company.

## Award for straw and grain from MF ACTIVA S 7345 PL Combine

Congratulations to Hollands Farms, Dorset, for being awarded first place for their Barley and Barley Straw at the Dorset County show. The Barley was cut using C&O's demonstration MF ACTIVA S 7345 PL combine harvester in August.

## Introducing Debbie Cant

Debbie Cant has joined the Sales team as Area Sales Manager for the South West Wilts, New Forest and Hampshire area following the retirement of Andrew Innes. Debbie brings a wealth of experience in selling, including agricultural machinery, most recently at Warwick and has been spending a lot of time out on the road meeting new customers across her region.

Debbie can be contacted on 07980 730 243 or at the Wilton depot on 01722 742 141.
