# PRIZE DRAW

## TOP PRIZES TO BE WON

## Cultivation Day

Many thanks to everyone who joined us on our Autumn Cultivation Day, it was a great opportunity for customers to see cultivation machinery in action from our main suppliers, Kuhn, Teagle, Mzuri Shelbourne Reynolds, Spearhead and our newest partner HE-VA, part of the Opico family.

There was a lot of interest in the HE-VA Cultivation machinery that we had at the event, Opico Territory Manager Richard Amphlett said, "It was a fantastic opportunity for Opico Ltd. to connect with C&O's customers and show just how well the wide range of HE-VA cultivation products performed in the field. It was a very impressive turn out on the day and we were able to show that HE-VA are not only known for their comprehensive line-up of Cambridge Rolls but also their single pass cultivators. A very big thank you to the C&O team for all their efforts." Find out more about the full range at [www.he-va.co.uk](http://www.he-va.co.uk) or talk to your local C&O Sales team.
