MASSEY FERGUSON

AGCO Reman, genuine parts remanufactured

Remanufactured to the original specification, guaranteed to work straight out of the box

- A one out, one in quick and reliable replacement
- Quicker than a workshop repair and the reassurance of dealing with the experts
- Equivalent to buying new but with savings of typically 30%
- A no risk solution and you'll know exactly what it will cost, no nasty surprises
- Way beyond a repair, re-built to the original specification and performance using only genuine components
- Backed up by a full 12 months warranty - same as new

Massey Ferguson award

C&O have just been awarded 'Most Improved Tractor Sales for 2018' at Massey Ferguson's 2019 national conference for UK & Ireland dealers. This is a fantastic achievement for the company. The sales team have sold 150 new Massey Ferguson tractors since becoming Massey dealers in April 2017, and have been supported every step of the way by the aftersales, warranty, finance and marketing teams.

We would also like to take this opportunity to thank our customers. You have supported us through some massive changes over the past 22 months and have shown amazing confidence in us as we have grown as a company and taken on the Massey Ferguson product. Taking on a new product range has been a big learning curve, and behind the scenes, we have been learning to work with a new manufacturer with new systems and processes. Your patience during this transitional period has been very much appreciated.

We look forward to working along side you through 2019 during what will be a very exciting time for the company.

HE-VA COMBI-DISC

The Combi-Disc subsoils, cultivates and consolidates all in one pass.
