MF TH THE NEW GENERATION OF AGRICULTURAL TELEHANDLERS

Massey Ferguson TH telehandlers provide a dedicated handling solution designed with the operator in mind.

The New MF TH Series provides any farmer with the optimum accessibility and manoeuvrability required.

This new range also gives more lift height, a longer reach and the ability to lift heavier payloads compared to the successful MF 9000 Series. With the right attachment, the MF TH Series can achieve paramount performance in a wide variety of applications around the farm.

SANY

NEW CONSTRUCTION PARTNER FOR C&O

Quality Changes the World

We are very pleased to announce that C&O Construction will now be supplying SANY construction machinery. SANY have been growing in reputation and size since they were established in 1989. The company specialise in excavators, delivering machines from mini to medium, large and long-reach, in addition to wheel loaders.

"SANY want to ensure we have regional dealers who can provide the best industry support to the customers in the area" commented Simon Zhu, SANY UK & Ireland Managing Director. "C&O Construction is a partner who we believe will meet and exceed this requirement" continued Zhu.

"SANY is embarking on a new chapter and we are excited to be part of this. We are looking forward to introducing the quality SANY product to our customers. Providing excellent support is at the core of our business and we will ensure that our construction customers continue to receive that with the SANY range." commented Andy Coles, Managing Director of C&O.
