CHANGES TO C&O SALES TEAM: Meet your new reps

FUNTINGTON
01243 682 025

Debbie Cant
07980 730 243

debbie.cant@candottractors.co.uk

C&O are delighted to announce some exciting changes to our Sales Team.

Area Sales Manager Debbie Cant has relocated from C&O Wilton to our Funtington depot. Debbie has been with the company for 3 years and in that time has built up a solid product knowledge, reflected in the steady stream of tractors that she's delivered to

customers across Wiltshire and Hampshire. Debbie's mobile number and email remain the same but she can now be contacted in depot on 01243 682 025.

Following the departure of Matthew Davies, Debbie will be the sales contact for customers west of Chichester up to the M3 whilst Philip Prior will be the main contact for customers east of Funtington, including East Wittering, Petersfield and Hawkley. Debbie and Philip will shortly be joined by a new member of the sales team who will be focussed solely on Isuzu pick-up trucks.

Andrew Burch has been with C&O for 10 years, becoming one of the most experienced and respected engineers at the Wilton depot. Moving from the workshop to become Area Sales Manager is a natural progression for Andrew, who is already well known to many customers in his new area, which is east of Salisbury and the New Forest and follows most of the boundaries of the A303 and M3.

'I'm really excited about this new challenge and looking forward to meeting customers and using my experience with the product to be able to show them the strength of the Massey Ferguson range' said Andrew.

Andrew and Debbie are already out and about in their new areas meeting customers. If you haven't had the chance to meet them in person yet do contact them directly or through their depot.

New Barn Farm, Chichester, West Sussex PO18 9DA

SMARTER. STRONGER. SAFER.

All fuel consumption and emission values are based on the new WLTP (Worldwide Harmonised Light Vehicle Test Procedure) test cycle which uses real-world driving data. Official fuel economy for the standard Isuzu D-Max range in MPG (l/100km): Low 25.1 - 27.6 (10.2 - 11.2). Mid 31.4 - 36.4 (7.8 - 9.0). High 36.0 - 39.4 (7.2 - 7.8). Extra-High 29.0 - 30.8 (9.2 - 9.7). Combined 30.7 - 33.6 (8.4 - 9.2). CO₂ emissions 220 - 241g/km.

[†]Price shown is an Isuzu D-Max DL40 Double Cab vehicle on the road price with manual transmission. All prices shown include delivery, number plates, 12 months road fund licence and first registration fee, excludes VAT and mica/metallic paint finish. The All-New Isuzu D-Max is Smarter Stronger Safer compared to previous model. Terms and conditions apply.

QUICKE ORIGINAL IMPLEMENTS

quicke.uk.com - Member of JOST World

Available in widths
1.3 m - 2.5 m.

Number of tines
in the fork 7 - 13.

Close spacing of tines
eliminates spilling.

Grab pulls load
into the back of
the implement
on closing.

Welded tine
sleeves.

SILOGRAB

For grabbing soft material

Silograb is an extremely versatile implement. The close spacing of the tines practically eliminates the spilling of silage. The tines are mounted in a box section with welded sleeves. The tines make a circular motion through the material, which produces the cleanest cut, the least power requirement and the longest service life for the tines.

In addition, the material is pressed against the back of the implement when the tines are lowered, keeping the silage in place even when driving over uneven terrain. All models have two hydraulic cylinders.

GREAT START FOR SANY

C&O Construction have launched SANY excavators to customers with much success. In the first quarter since SANY arrived at C&O, in December 2020, 13 new machines have been sold between our 3 SANY depots at Blandford, Funtington and Isle of Wight.

Newly delivered machines range in size from the smallest in the range, the SY16C 1.75 tonne mini-excavator to the 5.3 tonne SY50U short tail swing excavator.

Excavators have been sold to a range of customers, including farmers, a local quarry, housebuilders and contractors. Machines are in stock at our 3 SANY depots, call your local C&O Construction contact to arrange to come and take a closer look at SANY:
