DORSET CULTIVATION DAY

After two years without a show the Dorset County Show team brought the farming community together again with their first Dorset Cultivation Event, the event took place on a glorious Autumn day at North West Farm, Winterbourne Kingston. C&O had a fleet of Massey Ferguson tractors, led by three of the new 8S models, pulling the best of the Kverneland cultivation range; CTC 527 and Kultistrip 3000 cultivators demonstrated alongside a ES 250

plough, TS Drill, e-drill compact working with front press.

Also working on site was a Sky EasyDrill and Shelbourne Reynolds 457 hedgecutter.

Many thanks to all the customers who visited our stand at the Dorset Cultivation Event with thanks also to our partners at Massey Ferguson, Kverneland, Opico/Sky and Shelbourne Reynolds who supported the team from C&O.

See sticker on battery to enter

Contact us today for more information!

Terms and conditions apply. Competition closes 30th November 2021

SMART Check

Is your Massey Ferguson more than 5 years old and outside of a Service or Warranty Contract?

Book your FREE Smart Check with C&O

- ✓ The older your machine, the more important it is to make use of expert checks to keep it at peak performance.
- ✓ Compromising on the maintenance of your older machine can actually be a false economy - it can lead to long-term issues.

- ✓ Our free, comprehensive inspection allows you to make an informed decision about any repairs your machine may need.
- ✓ Service technicians will advise whether your machine is due for an interim or major service.
- ✓ All service work is carried out using manufacturer-approved checklists
- ✓ **Make an appointment for the Smart Check today and prepare your machine for future challenges.**

From 1st October 2021 to 31st March 2022. Programme Terms and Conditions apply.
